Ice Cream Surprise

My father was so tired after work, he took a nap on the couch. While he was sleeping, I quietly sneaked into the kitchen and made him an ice cream sundae. I placed it on the table. When he woke up, he saw the ice cream in the bowl and it had melting chocolate sauce on it.

My dad was so sleepy after work, he took a rest on the sofa. While he was napping, I softly crept into the kitchen and made him an ice cream sundae. I put it on the table next to the couch so he would notice it when he woke up. An hour later, he opened his eyes and he saw the dish of melted ice cream on the table. Even though it was melted, and no longer cool, he liked the snack.
